

## THOMAS MUNSON FOUNDATION SCHOLARSHIP AWARDS

### INSTRUCTIONS TO SCHOLARSHIP APPLICANTS

#### General Information

The Thomas Munson Foundation Scholarship Fund (TMFSF) provides scholarships that include awards for accredited community or junior college and vocational and technical schools; four-year college or university; graduate education; and business or nonprofit internships. Note that the application for internships is separate.

Detailed descriptions of all scholarships, including eligibility requirements and performance metrics for renewable scholarships, are given below on pages 7–9.

There is no fee to apply for the TMFSF scholarships.

To apply, you must be a citizen of the United States and must be able to trace your ancestry to Thomas Munson or another original settler of the colony at New Haven, Connecticut, in 1639. Information about documenting your descent lineage and a complete list of the settlers is given below on pages 10–11.

As an applicant, you are solely responsible for ensuring that all application materials are postmarked or submitted electronically on or before the deadline of March 1 in the award year. **Applications and materials postmarked or submitted electronically on or after March 2 will not be considered.** For electronic submissions, use our website: [thomasmunson.org](http://thomasmunson.org). For postal submissions, mail your materials with USPS tracking to:

Mr. Dave Weaver  
2600 S. Henderson St. #306  
Bloomington, IN 47401

If you mail your application materials, the Scholarship Awards Committee does not provide confirmation that they were delivered. It is strongly recommended that, at the time of mailing, you use a United States Postal Service (USPS) delivery option that tracks your package and/or provides a means of delivery confirmation. Be aware that FedEx and UPS do not deliver to USPS mailbox addresses, so do not attempt to use them.

Each applicant must ensure that all required academic institution documents/transcripts and letters of recommendation are either postmarked or submitted electronically by the March 1 deadline. Be vigilant and

insistent, and make timely inquiries with the school(s) and individuals from whom you request documents and letters so that they send the materials by the deadline.

Decisions of the Scholarship Awards Committee are final.

Applicants may address questions about application instructions to the Scholarship Awards Chairperson, Mr. Dave Weaver, at [tmfsfawards@thomasmunson.org](mailto:tmfsfawards@thomasmunson.org)

Decision letters are mailed to applicants in the spring. If you are awarded a scholarship, our treasurer will verify enrollment at your chosen academic institution and then send the scholarship funds directly to the institution. They will be credited to your account there.

We welcome your application and will consider it carefully. Good luck!

## DOCUMENTING YOUR DESCENT FROM A SIGNER OF THE 1639 NEW HAVEN COMPACT

You do not need to be descended from Thomas Munson or related to a member of the Thomas Munson Foundation to apply for a scholarship.

**Descent from Thomas Munson:**

To document your descent from Thomas Munson, begin your research well in advance of the application deadline.

If you are already registered in the database of Thomas Munson descendants and/or The Munson Record, enter your RN number and clan name on page 4 of the application. No further documentation is needed. Do not enter the number from a Thomas Munson Foundation membership card. It is not an RN number and not a substitute for one.

If you are not already registered or do not know if you are registered, email Mr. Melvyn Douglass, President of the Thomas Munson Foundation, for assistance at [President@thomasmunson.org](mailto:President@thomasmunson.org). In the subject line of your email, write "Request for Genealogy Assistance." You will receive a reply asking for information. Do not wait until the deadline is looming to request assistance.

If you elect to do your own genealogy research instead of requesting assistance, with your application send (1) a copy of your birth certificate and (2) unassailable documentation that establishes your descent from a clan on the Thomas Munson family tree. To research your own genealogy, try Google searches or look for the information on a genealogy website. Some public libraries allow patrons to access genealogy sites at no charge. Submit complete documentation. We may ask you to provide additional information and birth certificates.

**Descent from another signer of the 1639 New Haven compact:**

If you are descended from a signer of the 1639 FUNDAMENTAL AGREEMENT FOR GOVERNANCE OF NEW HAVEN COLONY other than Thomas Munson, you are eligible to apply for a scholarship, provided you document your descent from your ancestor, send a copy of your birth certificate, and meet all the other application criteria. We may ask you to provide additional information and birth certificates. The following page lists all the signatories to the 1639 Fundamental Agreement document.
